All non-DV cases will be negotiated by a TTU prosecutor based on the courtroom the case is assigned to for the next pre-trial hearing. If your client is a defendant in a domestic violence (DV) case, please contact the DV prosecutor assigned to the case if you wish to engage in negotiations. It is important to consult with your client's assigned prosecutor PRIOR to the pre-trial hearing as Assistant City Prosecutors will have limited opportunity to negotiate during pre-trial hearings.
